

SATURDAY, MAY 3rd

**4TH ANNUAL
QUANTICO YACHT CLUB
OPEN HOUSE**

Have a day of fun along the Potomac River!

Step aboard a police boat...watch a sailing regatta...learn about boating resources in the area...see demos and classes on boating safety equipment...compete in a Q-Town fishing tournament...enjoy good music...eat delicious food from Sam's Grill ...browse information booths...tour boats in the marina...and maybe take a sunset ride aboard a QYC member boat.

What's it all about? The QYC promotes safe, fun, family activities on and near the water at its annual Open House. This year, we team with the Marine Corps Base Quantico Community Services and the Town of Quantico, to run the event from 12-5pm...with both early and later activities planned...and it will be bigger than ever!

If you want to crew on one of the racing boats, simply be at the Flag Raising and we'll make it happen. If you just want to sit back and watch the race, bring a chair, a cooler and enjoy!

We will have boating/recreational equipment vendors like SAILTIME, BACKYARD BOATS, PRINCE WILLIAM MARINA BOAT SALES, REI SPORTING GOODS and TOWBOAT US, and an onsite raffle for WEST MARINE donated items. Be sure to visit the Prince William Model Railroad Club display at the Quantico train station from 1000 to 1600, as well as the good folks and businesses in the Town of Quantico. We look forward to seeing you!

MAJOR EVENTS

--
